## Itinerary

### Day 1: Nairobi, Masai Mara

You will be picked up from your Hotel or residence at 0730 hrs. Leaving Nairobi in the morning, we drive down the escarpment (stopping en-route to view the Great Rift Valley) into and across the floor of the Great Rift Valley and on to the Masai territory ? The Masai Mara Conservancy and Game Reserve. Arrive in time for lunch and thereafter, enjoy an afternoon game drive. The reserve is famous for its big game and is an extension of the northern part of Serengeti National Park in Tanzania. Dinner and overnight in a lodge ? Mara Serena Lodge

### Day 2 thru 4: Masai Mara

3 More days in the Mara with game drives. All meals and overnight as above Masai Mara Game Reserve: The rolling grasslands of the Masai Mara offer ideal game viewing and photographic opportunities and the grassy plains are broken by rocky outcrops which are favorite midday resting places for Lion. This is where millions of Wildebeest cross the Mara River from the Serengeti National park of Tanzania to the Masai Mara Game Reserve of Kenya - an annual spectacular event, which brings along thousands of plains game and predators to the Mara, making the park a beehive of 'wildlife activities'. Some of the other animals that could be found here include elephant, black rhino, buffalo, leopard, cheetah, wildebeest, zebra and gazelle. Hippo and crocodile abound in the muddy brown waters of the rivers, which traverse this reserve. Mara Serena Lodge
