Excerpt:

This three day (two night) adventure in the bush covers spectacular Amboseli National Park. Romantically situated in the foothills of Mount Kilimanjaro, Amboseli is famous for its tremendous variety of big game. Amboseli is an excellent place to view a multitude of wildlife, including everything from Lions, Cheetah to Wildebeest to Giraffes to Baboons.

Description

Optional visit to a Masai village is available as this is the home of the Masai people. Here you learn about their tribal social systems, customs and the place of the Masai in today's Africa. The residents live in their Manyatta, or village, much as they have for centuries and a visit gives you the opportunity to see the interior of these mud-hut homes, spotless and unadorned, contrasted with the Masai themselves, bedecked with brilliantly colored beads and cloths.
